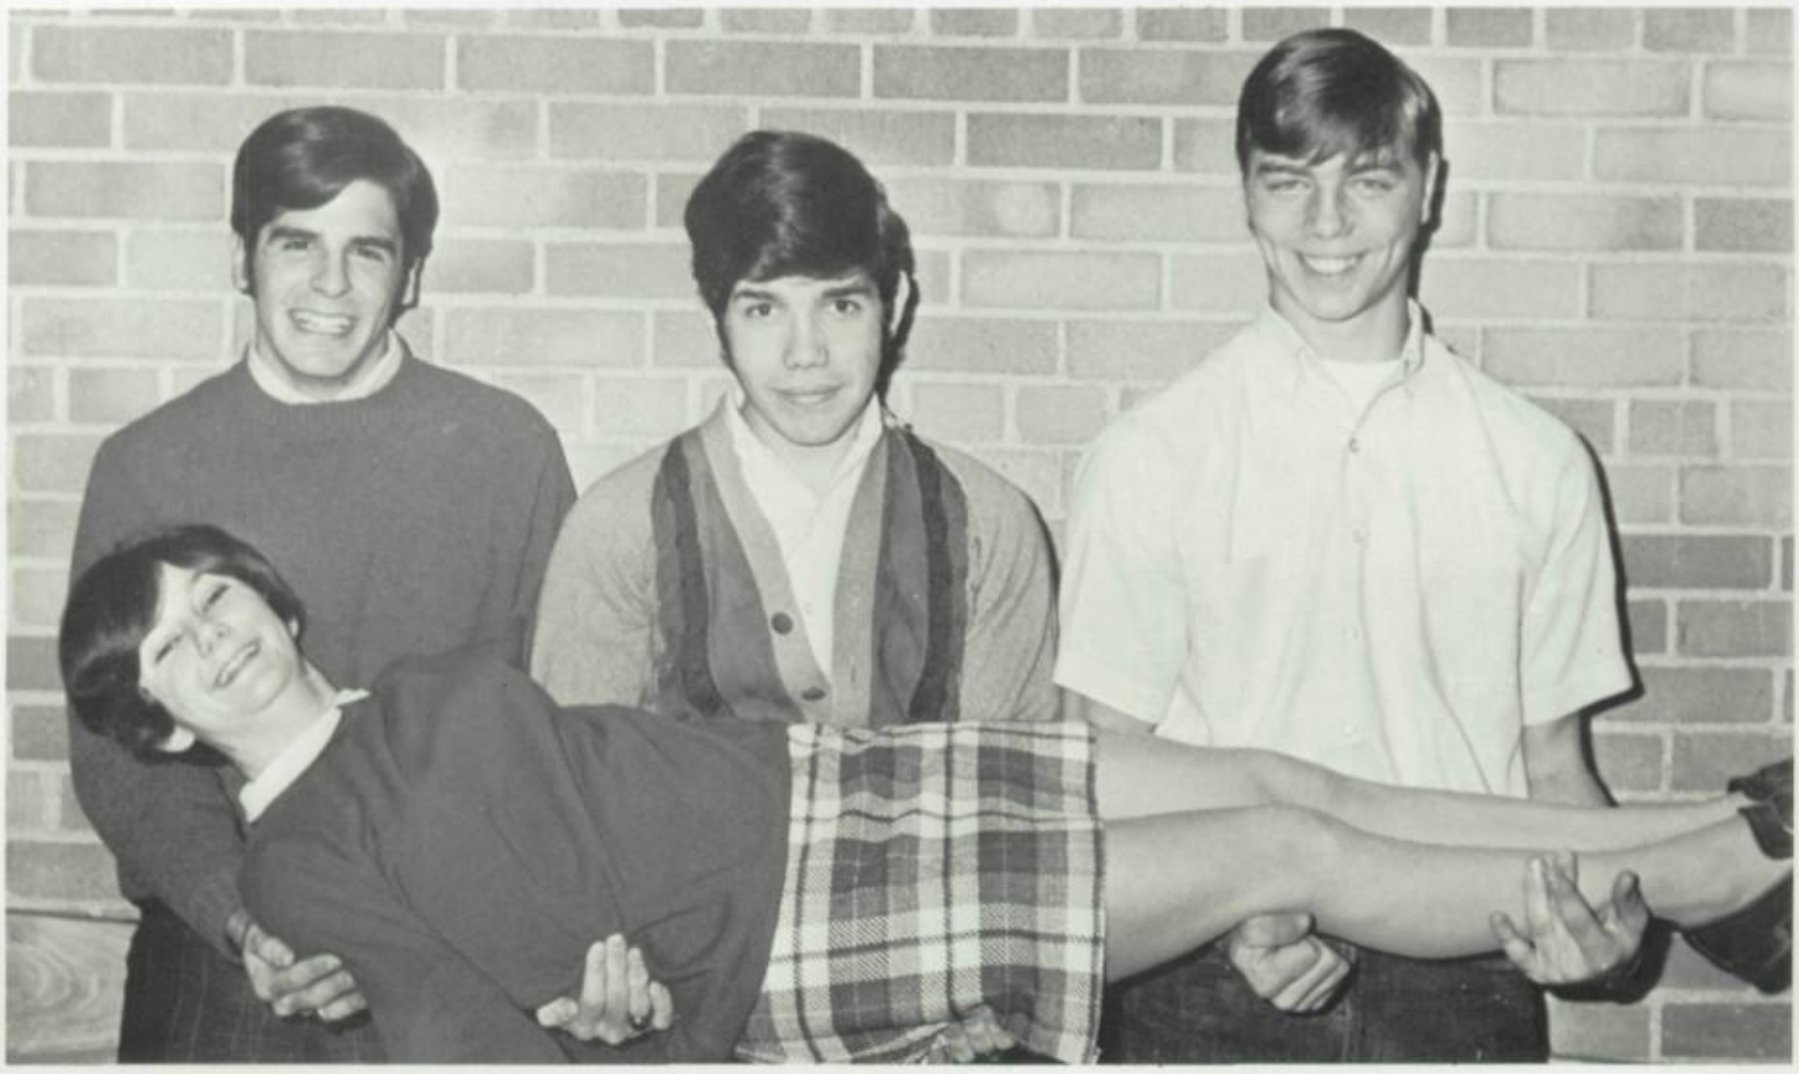
ALLEN

We Tried, but We Couldn't Do It (Alone)



OFFICERS (L to R): Ann Kerrigan, Frank Carollo, Dave Savage, Carl Timm.

This year Lake Shore's Student Council tried to get the whole student body involved. They organized a gripe center that was opened in order to hear the complaints of the student. The Student Council also organized a clean-up committee. The purpose of the committee was to clean up the school parking lot. Very few students responded to this activity. But thanks to those few the job was done. Although successes were small, attempts are acknowledgeable.

Homecoming: A Week of Excitement

Homecoming week activities were many. There was a Penny Candy Sale, Baby Face Contest, Faculty-Student Swim Meet, Slave Day, Hat Day, Tug-o-War with a real mud hole in the middle, Sadie Hawkins dance, Pie-Eating Contest. Homecoming was climaxed by the big game on Friday night and announcement of the queen, Rose DiLorenzo, and the coronation dance on Saturday night.

"I Hear a Symphony"

Our band has been showing great improvement. Last year we took first place in the St. Clair Shores Memorial Day Parade. This year we welcomed a new band director, Mr. John Boren, who has shown great endeavor and patience with our band. Some of our students in the band also attended a summer band camp. Though there was a lot of practicing, a good time was had by all.

Your Voice Is Music to My Ears

Our chorus classes have shown great promise this year under our new directress, Miss Jenks. The chorus displayed their talent at a Christmas concert presented on the evening of December 17, 1970. They also performed their program in front of the student body in a special Christmas assembly along with the band.

To Act Is To See

Our drama classes have been fairly busy this year. They presented three one-act plays this year as a program for students and parents. Mr. Levenson and Mrs. Hill have helped them along. They have taken the name as the Students Free Theatre.

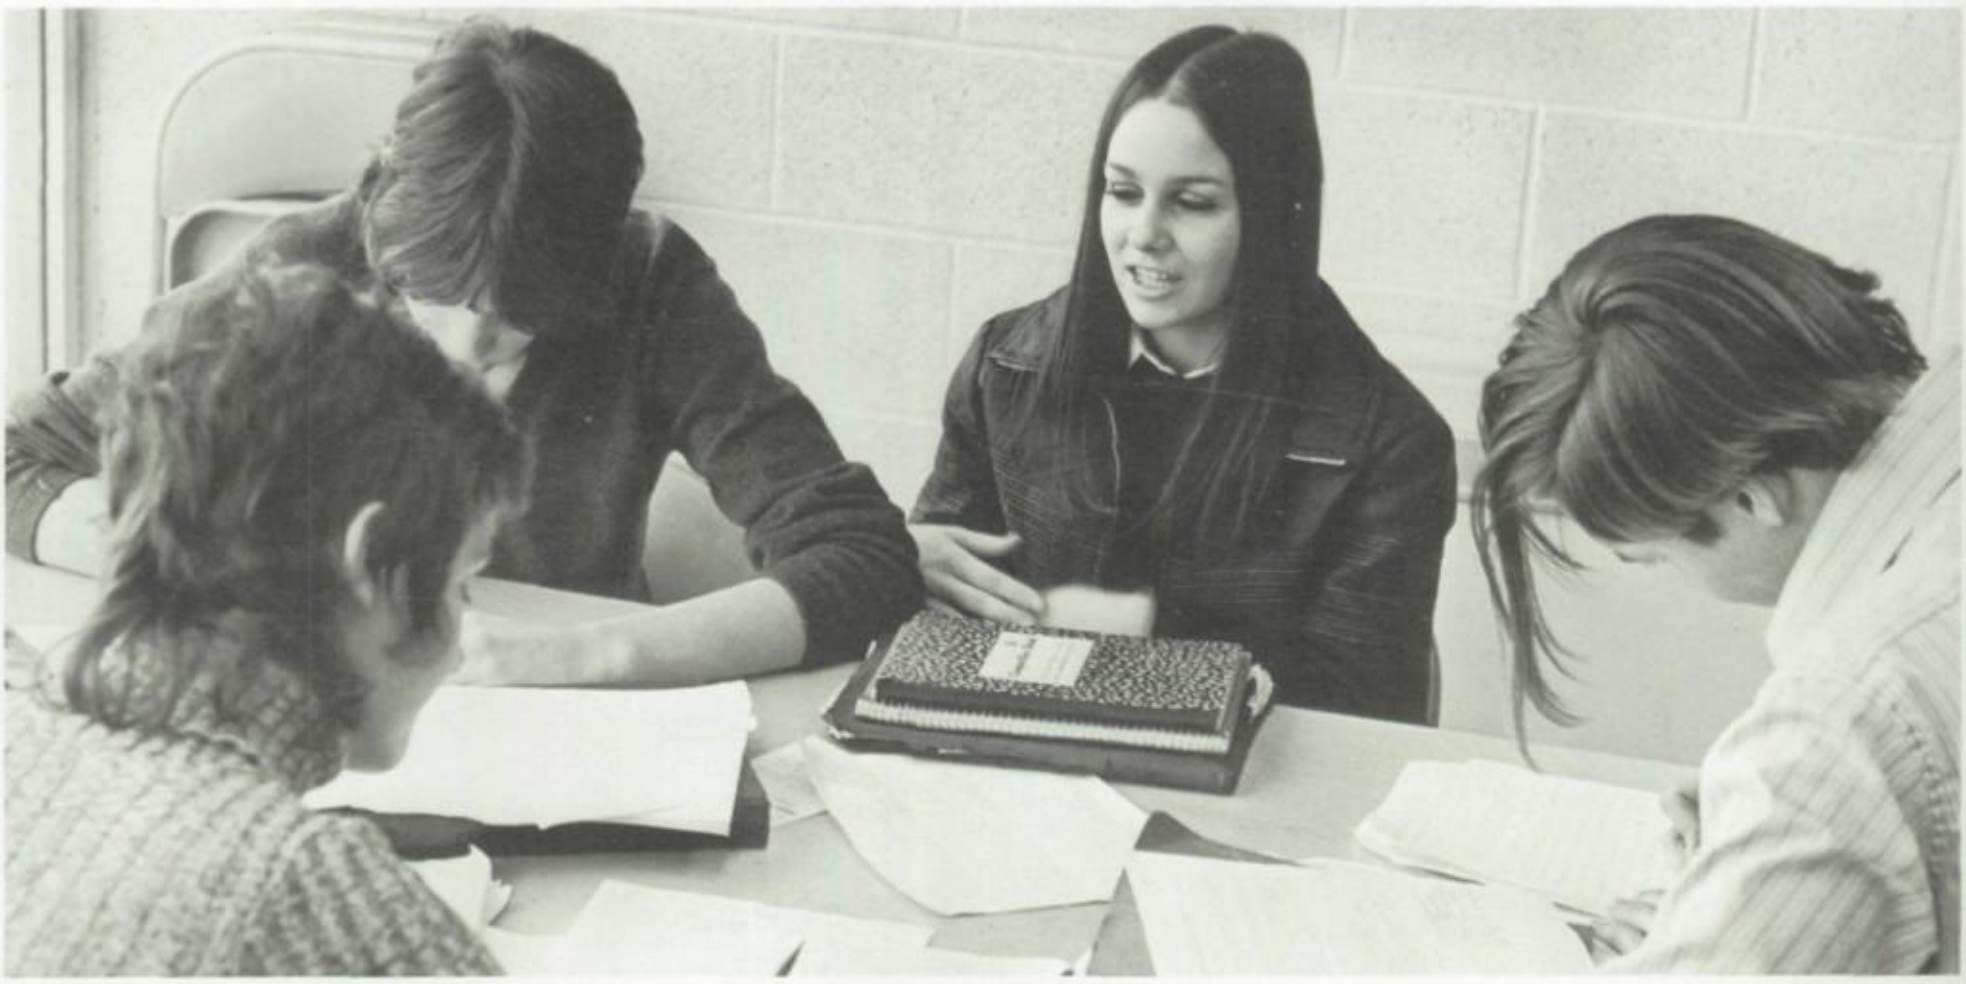
Help Us Help Ourselves

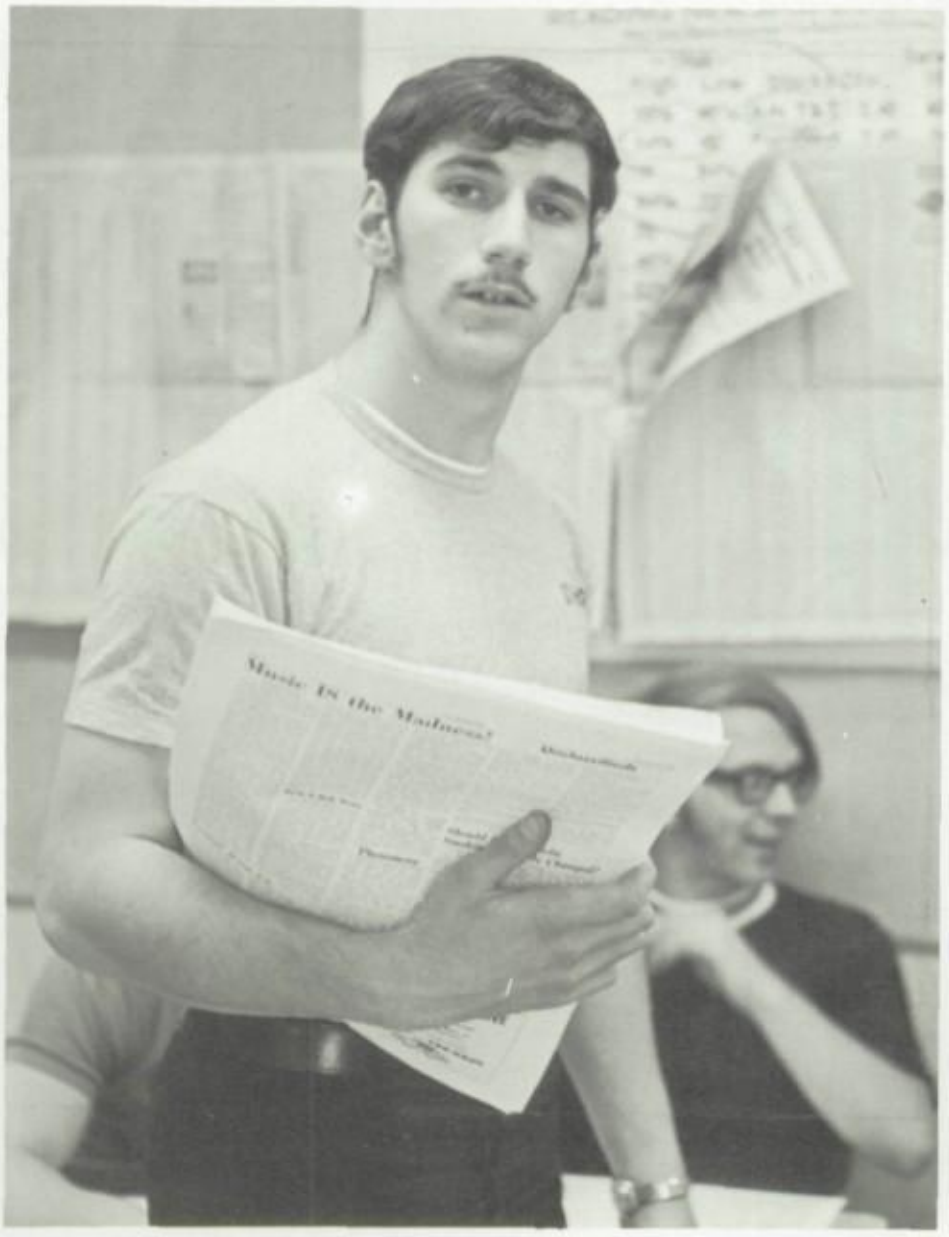
Our Ecology Club is one of the newer clubs which made their debut late last school year. This year one of their major activities was a Clean-Up day to clean up the student parking lot. Along with help from the Student Council and other students, the parking lot was a sight to behold!

Rush Today! — Deadline Tomorrow!

The Shorian Staff has made one great change this year in order to do an even better job on the yearbook; they had changed to fall delivery instead of spring which allows more time for work. This past summer four of the staff members attended a week-long workshop held at Nazareth College in Kalamazoo, Michigan. According to Gay Sowers, Danielle Stroecker, Cindi Kerner, and Kim Laskowski, despite the work and homework it was a different and rewarding experience.

Extra, Extra, Read It Here!



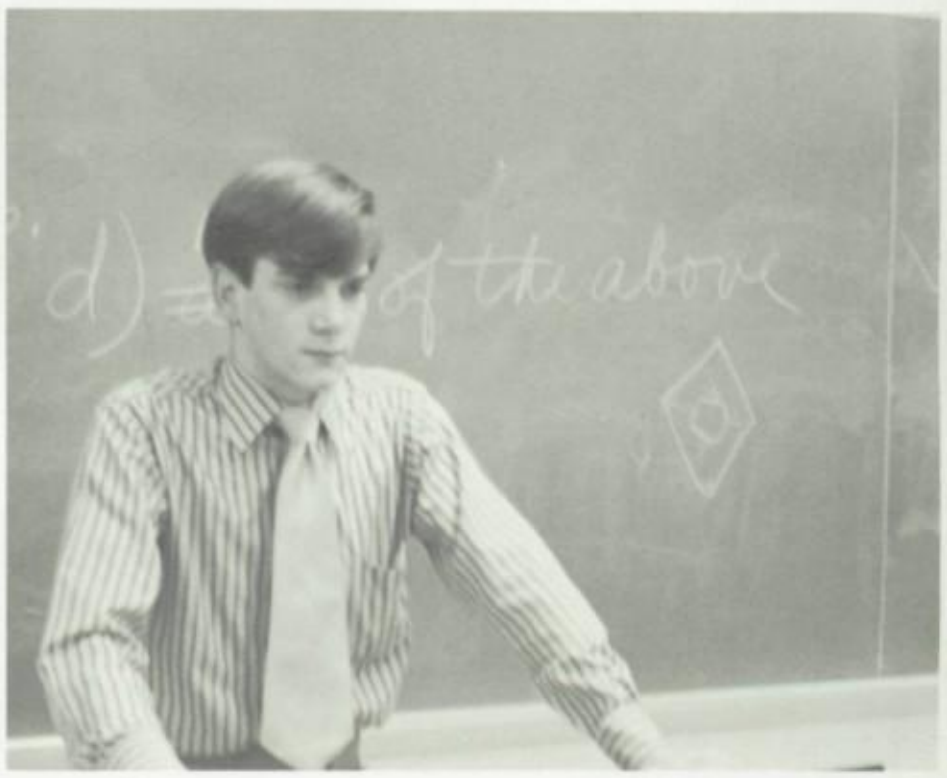


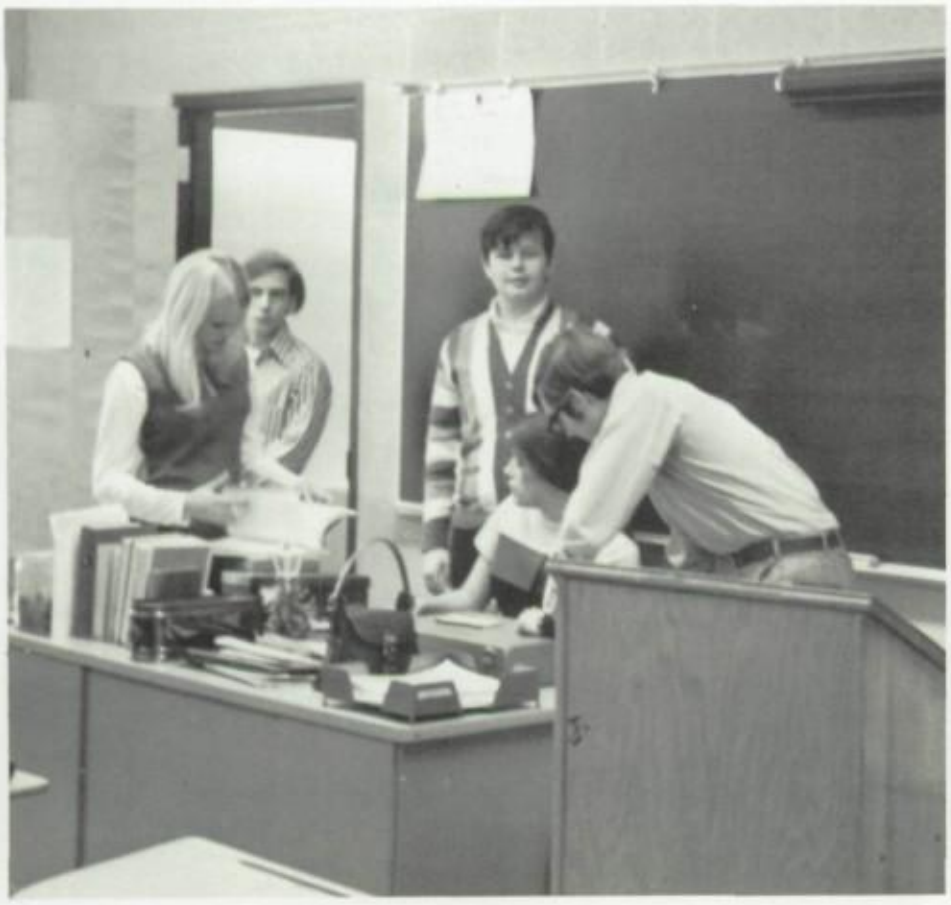
The Shore Line staff has been busy at work this year and have presented a paper which has shown great improvement over the past years. This year because of the recent Supreme Court ruling, the staff has been subjected to having to sell the paper on distribution day. The paper has shown some surprising and well thought out stories and articles.

"Now This Won't Hurt a Bit"

Nurse's aides and orderlies are on a co-op program sponsored by Lake Shore and Lakeview High Schools, and St. John's Hospital in Detroit. The students work in the morning at the hospital, then return to school for afternoon classes. They recently presented an assembly for interested future participants.

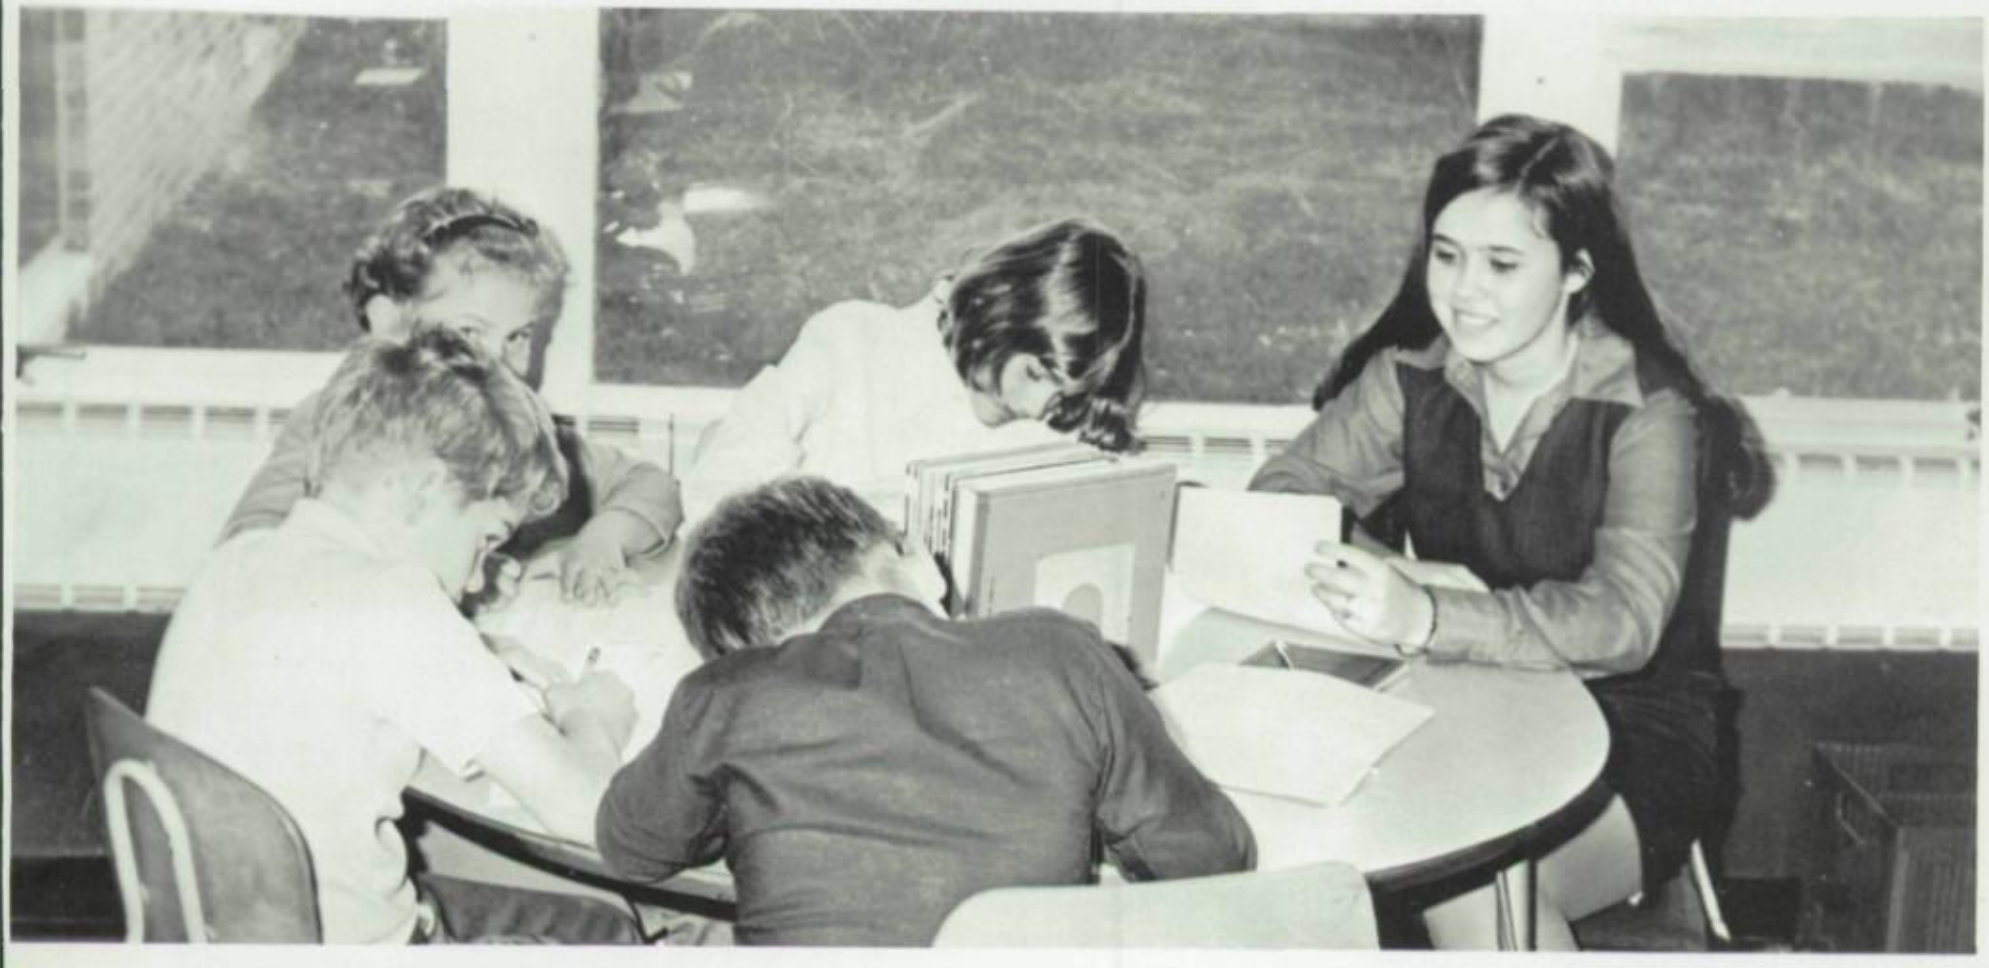
Pro . . . or Con?





Mrs. Hill and her student debaters have shown a lot of power this year. They have participated in a number of debates at other schools and have shown success. For having such a class first hour in the morning they are aware and busy.

School "Work"

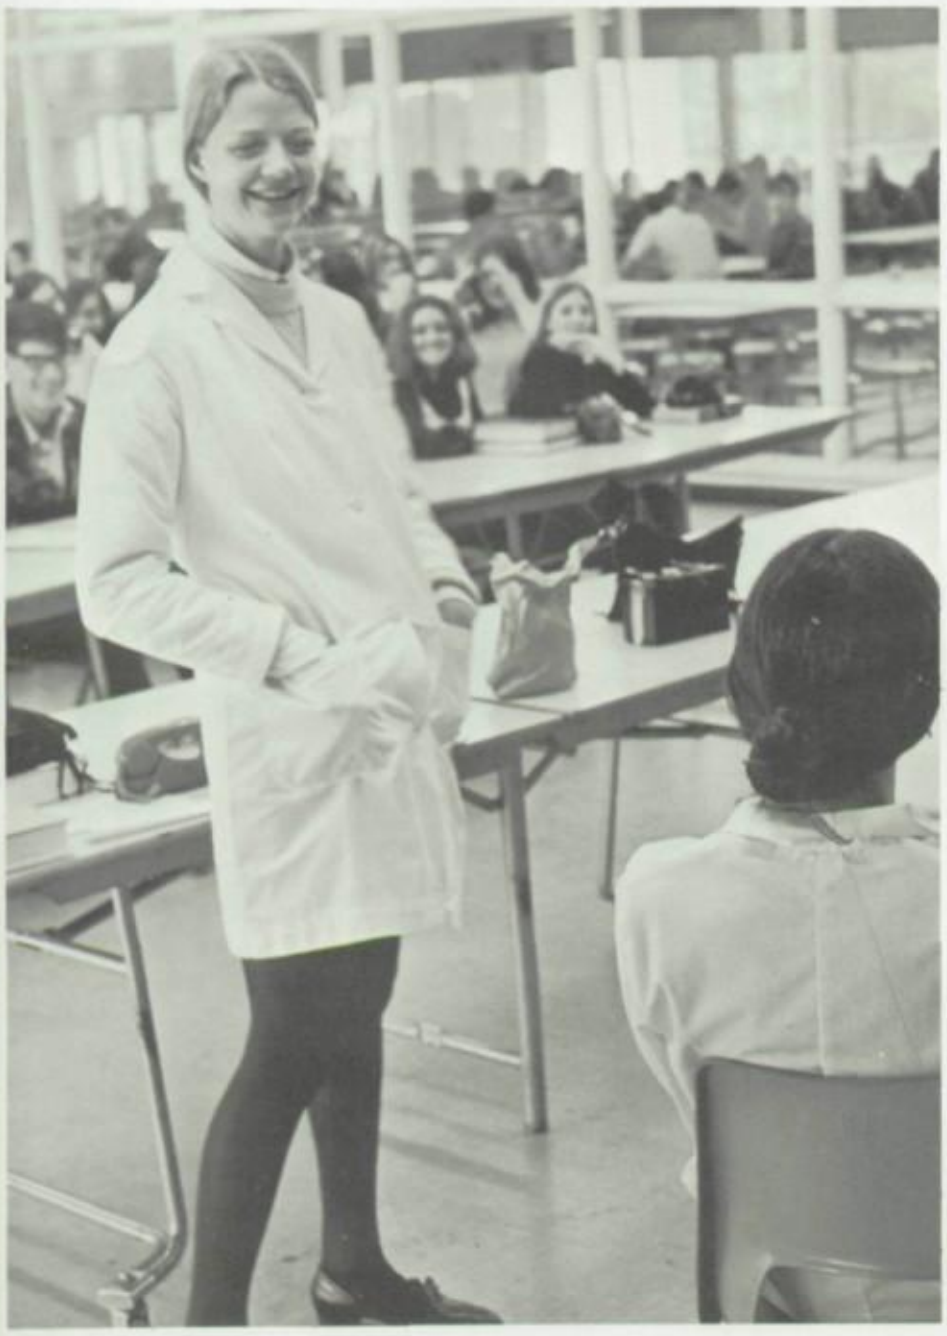


Cadet teaching gives a student a chance to experience first-hand what it is like to be the teacher. Cadet teachers go to elementary schools and instruct the younger children. This opportunity can help a student decide if he/she would like to go into teaching as a career. This type of experience can be very beneficial.

Co-Op = Cooperation

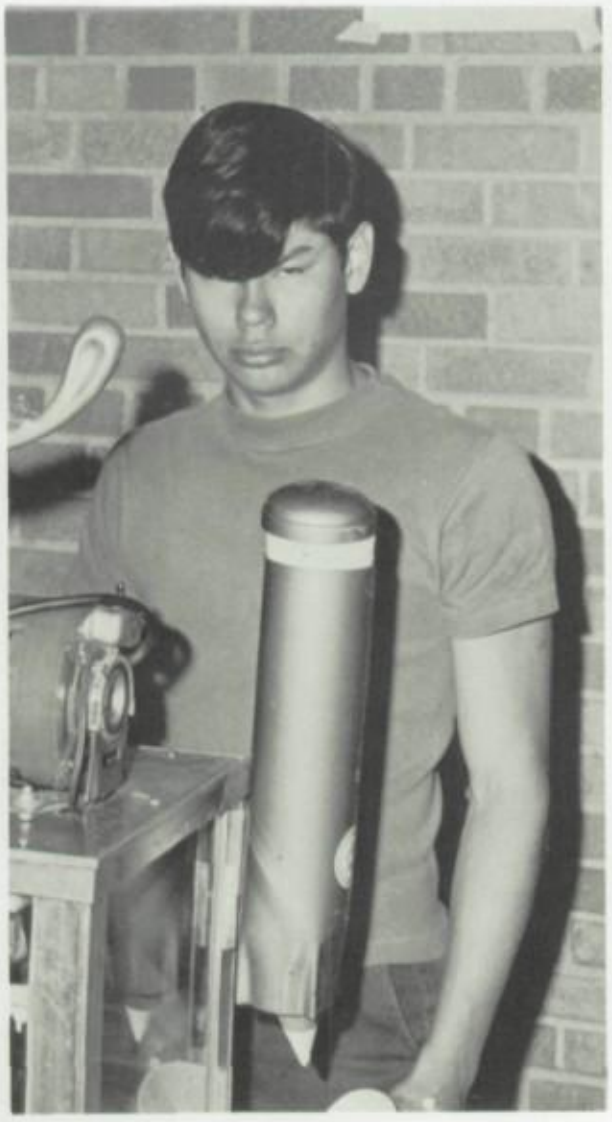
Co-op is when a student goes to school part time and works the other time. These jobs are mostly concerned with business. Co-op gives a girl experience in secretarial work. Academic credit is given to the student just as if she was attending a class. The jobs are not always a lot of fun and require cooperation of the student.

We Had 100% Fewer Cavities

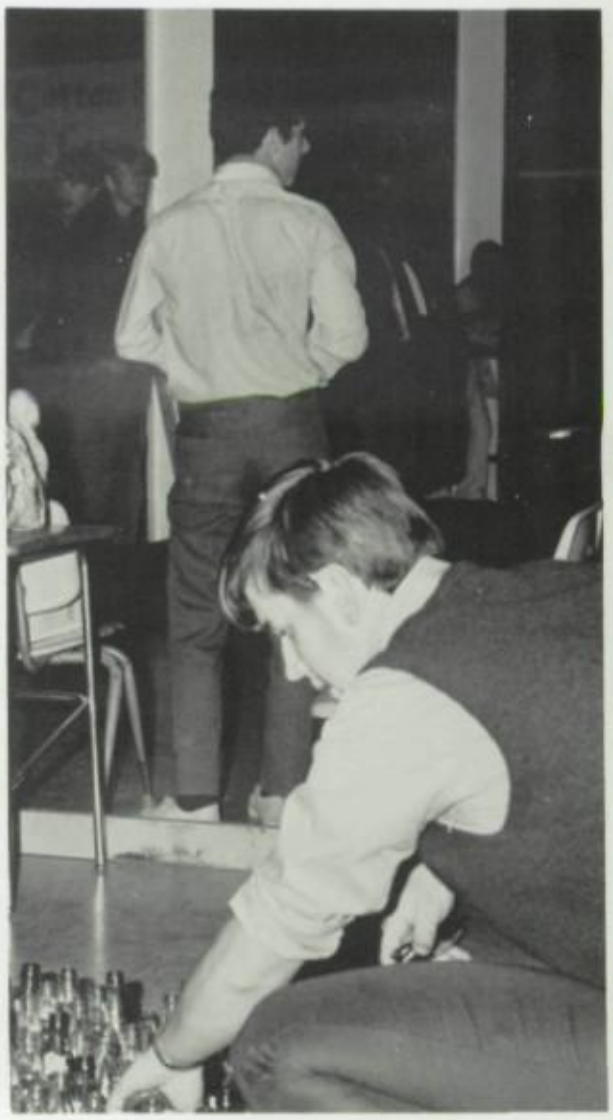


Dental Assisting is one of the sub-divisions of Co-op offered at Lake Shore. The class is for juniors and seniors interested in this type of work. The dental assistants go to a class everyday at Lakeview and in the afternoon they go to their individual jobs.

Our Daring Young Men



The Explorers do exactly what their name indicates. They exploit what is left of nature. This year they went on a canoe trip and helped sponsor the Spring Carnival.



United Nations

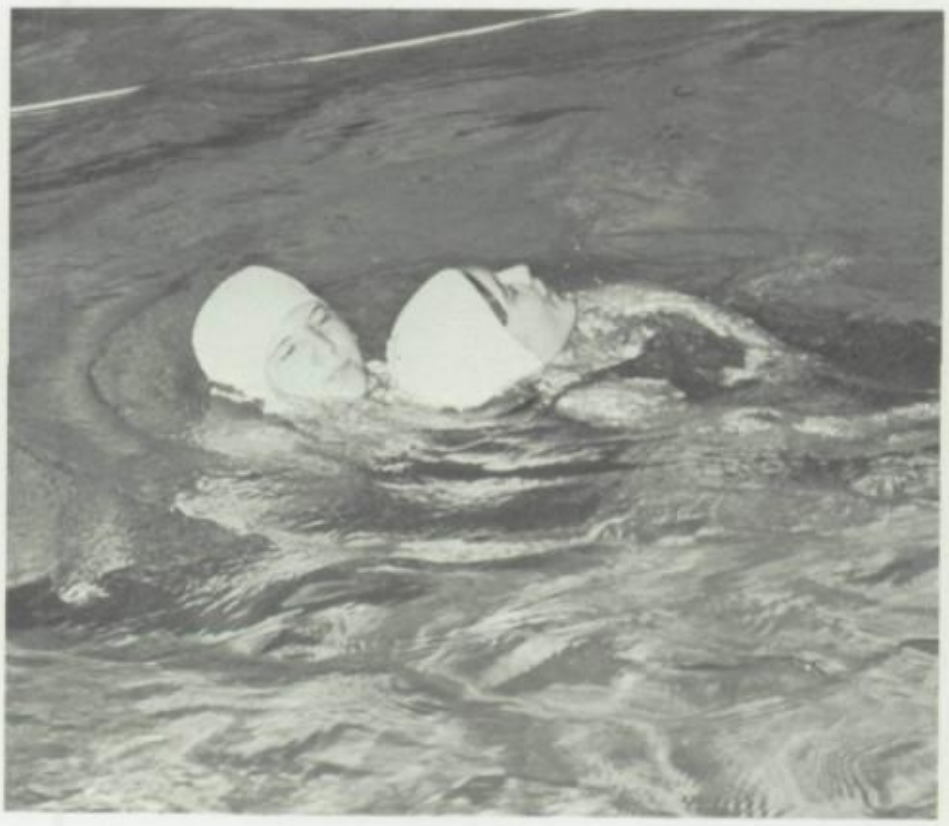
Lake Shore has its own small world. In this world an attempt is made to draw America and other nations together. This is done through AFS. This year we had Trui, Selma, and Gus.

Break a Leg!?!

This year the Ski Club made weekly trips to Alpine Valley. The students were quite responsive to these trips. It really didn't matter if you could ski, because the fun is what counted.

Tumbles, Twists, and Turns

Recreation after school for the girls was offered this year. "Athletic" ability was displayed in such sports as volleyball, swimming, and basketball. Gymnastics was also one of the well-displayed sports.



Lake Shore Moves

This year's annual Carnival did not seem to have the support of those from previous years. However, to those who came it had all the same fun and enjoyment. The Carnival is

Into Spring!

put on by the A.F.S. Club and the Explorers. The "homemade" Spook House was set up on the stage this year. A special thanks goes to all those who worked at the Carnival.

N.H.S.

National Honor Society is an Honorary Club for those students who deserve special recognition for their achievements in school. This year's officers were Larry Hines, Debbie Gorney, Greg Stack, and John Hack. Induction was held in April.

Class Trip?!

The Senior Class Trip seemed to be a success even though only one-fifth of the senior class attended. Students stayed at the Flagler Inn for four days with two meals each day (Inclusive). Entertainment included swimming, sunning, sightseeing, motorcycling, and a lot of PARTIES.

We've Only Just Begun.

This year's Prom was held at Cobo Hall on May 14. It was a night to remember. The Lake Shore students turned into kings and queens for one evening. Flowers, formals, tuxedos, and Bob Stewart, pictured on this page, highlighted the event.

"I don't think that enough can be said about the spirit and courage that these young men showed this year." — Coach Harry Cole. This statement has never been so true.
